

Becoming a Member of East Wichita Rotary Please READ FIRST

Before you propose a new member – or before you agree to let your name go forward -- please consider the following:

We Value Service Above Self

- **We are an active club** – can you commit to at least ONE volunteer opportunity a year?
- **We want you to attend meetings** – we expect at least 60 percent attendance (can make-up at other club meetings/ mixers/volunteer events etc.)
- **We think knowing Rotary history is important** – can you commit an orientation session...
- **Paying dues in a timely manner is important to our cash flow** – and only fair to your fellow members. Can you pay your dues \$370 in January and \$370 in July? (Or, by the month by electronic transfer/credit card)

NOTE: Every proposed member is not automatically invited to join. We look for demonstration of leadership skills in their field or in the community. We also target professions/organizations/fields in which we are low on representation.

Please consider all of the above before going forward.....

Questions: Membership Chairman Tim Link, 316-634-2328 or tim@linkresourcegroup.net

Rotary Club of East Wichita
